uvex

Occupational footwear, redefined.

Comfortable, reliable protection for work and leisure.

The uvex 1 sport white NC is redefining occupational footwear, transforming functional workwear into stylish pieces.

The entire range of uvex 1 sport white NC shoes meets all requirements for functional occupational shoes — but can be worn outside of professional environments, too. The fashionable design means they do not look like typical workwear.

The i-PUREnrj midsole not only provides perfect shock absorption, but also transfers energy back into the wearer's foot.

Sporty look.

Thanks to its lightweight design, high-tech materials and ergonomically designed outsole, uvex 1 sport white NC is the ideal companion for the working day and beyond.

Breathable and liquid-resistant.

The hydrophobic upper ensures optimised climate control and reliably protects the wearer against liquids and other contaminants.

Lightweight and ergonomic.

The dual-density polyurethane outsole offers excellent comfort underfoot thanks to its ergonomic design. The SRC-certified slip resistance means that it is suitable for use on almost all surfaces.

Wearer comfort.

Elastic laces for quick, individual adjustment.
