

uvex Hand Protection System

uvex synexo M100

- Seamless mechanics glove with reinforced thumb joints for heavy duty activities
- Long wearing safety glove for mechanical precision work
- Neoprene palm pad for extra comfort with long wear times and protection against shocks and impacts
- Ideal for extremely greasy and oily areas due to sand grip finish
- Hook-and-loop wrist for easy on and off

EN 388

3131

uvex Point of Difference	Benefits
Seamless 13 gauge nylon liner	No stitching seams around fingers increases tactility and dexterity
Red liner with black palm	Distinctive colour denotes cut level 1 for site compliance
Crotch area reinforced	Reinforced wear zone increases product service life
Padded palm	Increases comfort during mechanical service life
Hook-and-loop wrist fastener	Easy on and off of the glove
