

# MACULTIMATE 3.0 RANGER GTX

EN ISO 20345:2022  
S7L FO CI HI HRO SC SR

ART. NO. 67683  
SIZES 36 - 48

 **HECKEL**  
PERFORMANCE WITH STYLE

**WATERPROOF  
UPPER**

- waterproof full-grain oiled leather upper
- reflective elements for better visibility
- zip with waterproof gusset

**GORE-TEX  
LINING**

- GORE-TEX Insulated Comfort membrane up to -30°C

**AGILE  
ANKLE GUARD**

- rear and lateral reinforcements for enhanced stability and malleolus protection

**MACSOLE®  
RUBBER SOLE**

- MACABSORB EVA inserts in front and rear
- contact heat resistance (300°C)
- slip resistance

# GORE-TEX TECHNOLOGY COMFORT AND THERMAL INSULATION

For outdoor working conditions, in great cold, works in mountains or cold-storage rooms, the new GORE-TEX footwear laminate development combines efficient thermal insulation with even **15% less weight** with the **same level of thermal protection**.

more solid fibres **increase weight** | the flat 2D layered structure **prevents air from entering** | **loss of insulating capacity** when compressed | fibres **bon together limiting flexibility**

**15% lighter** | hollow and fewer fibres reduce weight | the 3D structure makes it possible to store more air for **increased insulation** | spiral effect ensures **flexibility and comfort**

The GORE-TEX membrane ensures that the insulation is reliably protected against water penetration. At the same time, the sweat can easily escape to the outside in the form of water vapour.  
**Your feet stay dry and comfortable.**
