# uvex profi pure HG

The innovative Hydro Grip special polymer coating sets a whole new standard in terms of grip in wet and damp working environments.

Thanks to the waterproof coating, the uvex profi pure HG keeps skin dry while the cotton fibre inside ensures high levels of wearer comfort and fit. Reliable grip during indoor and outdoor activities.

Enhanced grip reduces fatigue experienced from over exertion when trying to grip slippery objects

Cotton interlock cuff is comfortable and helps keep debris out

uvex Hydro Grip technology provides a secure waterproof grip without becoming slippery

The liner is dermatologically approved offering health protection for allergy sufferers

**HG** Hydro Grip  
MADE IN GERMANY 

Ergonomic fit, maximum flexibility and good tactile sensitivity.

Made in Germany in a CO<sub>2</sub> neutral production facility. Solvent free site. Reduced CO<sub>2</sub> emissions due to short transportation.

Excellent wearer comfort thanks to cotton liner against the skin. Dermatologically approved. Machine washable.

Skin-friendly and checked for hazardous substances in accordance with OEKO-TEX® Standard 100.
