achieves a high level of
wearer comfort

Thumb indentations
with left and right
marking ensures
correct insertion and
easy fitting

The shape means it
fits most ear canals
securely and
comfortably

The uvex xact-fit family

The uvex xact-fit is as unique to each ear, as a pair of shoes is to each foot – you can't get it wrong. This unique left and right plug fitting ensures correct insertion and optimum fit. The uvex xact-fit is available in three designs: reusable, disposable and detectable.

uvex xact-fit

Disposable foam pods
that are easy to replace.
Suitable for multiple
industry applications.

uvex xact-fit detec

Detectable plug and cord.
Traceable by sight or by
metal detector. Suitable for
food manufacture.

uvex xact-fit reusable S and M/L

Smooth, dirt-repellent surface can be easily cleaned using mild soap and water. Size small suitable for those with smaller ear canals or new to wearing hearing protection. Suitable for a wide range of environments. Cost-effective and environmentally conscious choice.

Intelligent ergonomics

A new dimension of wearer comfort

The cross-section of an ear canal is oval shaped

The novel design of the uvex xact-fit is based on the anatomy of the ear canal, mimicking the natural oval shape. This noticeably reduces pressure inside the ear – even when worn for extended periods - as well as allowing fast, easy and accurate insertion.

The design is visible from a distance, making it easier to monitor usage in accordance with your company's regulations.

MADE IN SWEDEN 

Perfect fit

Oval-shaped earplugs mimic the natural shape of the ear canal for a low pressure fit and enhanced comfort, with no rolling required.

Ergonomic thumb indentations

The stem is shaped to fit either the left or right ear as indicated. Ensures correct insertion and optimum fit, providing intended and required protection.

Adjustable cord

Thanks to an adjustable cord the earplugs can be worn comfortably around the neck so they're always conveniently to hand.

uvex xact-fit

Corded hearing protection with disposable foam pods that are easy to replace. Suitable for multiple industry applications.
