# uvex u-sonic

Light weight. Perfect fit

protecting people

[uvex-safety.co.uk](http://uvex-safety.co.uk)

**Quick and easy attachment of additional lens**  
Unique magnetic, 'snap on' sun tint lens attachment makes this goggle versatile for changing light conditions

**Perfect fit without any irritating pressure points**  
The uvex u-sonic adapts to any facial shape for a low pressure seal, that guarantees a good fit

**Low weight - increased comfort**  
The uvex u-sonic is one of the lightest full-vision goggles in the uvex portfolio making it comfortable when worn for long periods without causing fatigue

**Anti-fog and scratch-resistant**  
uvex supervision coating with an unrivalled anti-fog performance on the inside and high scratch resistance on the outside

# Small and perfectly formed

As a result of its ergonomic design with flexible soft components, uvex u-sonic adapts perfectly to any facial shape – its low weight and the lack of pressure make it comfortable for all day wear. The wide panoramic lens can be easily interchanged: the integrated magnet technology facilitates rapid lens exchange.

## **Pioneering lens coating technology:**

- uvex supravision excellence lens coating technology: permanent anti-fog coating on the inside of the lens, scratch resistant on the outside
- uvex supravision extreme coated lenses will not fog up as the coating never reaches the point of saturation
- Ideally suited for workplace environments with long-lasting exposure to condensation and a high degree of dirt
- Permanent lens coating technology: won't wash off even after repeated cleaning. Prolongs product life offering great value for money
- Non-stick nanotechnology on the outside of the lens makes lenses easier to clean and less susceptible to dirt

## uvex u-sonic models:

The uvex u-sonic is suitable for a range of applications requiring medium impact protection including those working in construction, manufacturing, laboratories, healthcare, utilities, pharmaceutical, aerospace, hazardous waste and defence.

Art. no.	9308.245
Frame	grey, lime / W166 34 B CE
Lens	PC clear / UV 400 2C-1,2 W 1 BKN CE uvex supravision excellence
