

uvex

uvex x-fit family

Innovative eyewear you'll want to wear!

uvex x-fit pro

Innovative wearer comfort

Sliding the uvex Comfort Slider **(A)** adjusts the angle of inclination of the lens **(B)**

Maximum wearer comfort thanks to soft components

proErgo | uvex Comfort Slider

The flexible inclination of the side arm adapts ergonomically to most facial shapes - for optimum fit.

proComfort | uvex nose piece and side arms

The soft nose piece of the striking X-design offers maximum wearer comfort even when worn for extended periods of time. Thanks to uvex duo component technology that combines hard and soft materials including the elastic side arms, ensures a pressure-free fit.

Part no.	9199-400
Coating	uvex supravision excellence
Standard	AS/NZS 1337.1
Frame	blue, anthracite
Lens	clear 80% + VLT category 0
Packaging	5

Part no.	9199-500
Coating	uvex supravision sapphire
Standard	AS/NZS 1337.1
Frame	white, anthracite
Lens	clear 80% + VLT category 0
Packaging	5

Part no.	9199-402
Coating	uvex supravision excellence sunglare filter
Standard	AS/NZS 1337.1
Frame	grey, anthracite
Lens	grey 14% VLT category 3
Packaging	5
