uvex i-lite

The uvex i-lite is part of our new uvex i-range – the innovative 3in1 safety eyewear range with the right products for virtually any workplace hazard or environment. The uvex i-lite impresses with its flat lens geometry and modern design.

In addition, the ergonomically shaped side arms, including multi-incline points, ensure an optimal fit without pressure points.

The proven uvex supravision coating technology ensures optimal visibility during work, making the uvex i-lite the ideal companion for everyday working life.

Flat lens design
for an unrestricted field of vision

Three-stage adjustable side arms
for individual customisation

x-tended sideshield
for additional side protection

Ergonomically shaped side arms
for a perfect fit and secure hold without
creating pressure points

**With proven uvex supravision coating
technology and UV400 protection**
