uvex i-range planet

The uvex i-range is our new 3in1 safety eyewear range with the right products for virtually any workplace hazard or environment.

The uvex i-range planet version also sets new standards in terms of sustainability: We use recycled and bio-based materials for our innovative safety eyewear – in the spirit of environmentally friendly and resource-saving manufacturing. The properties of our safety eyewear (e. g. mechanical strength, UV protection, design and comfort) are not affected in any way.

The uvex i-range planet can be used flexibly and makes an effective contribution to environmental protection – following our motto **protecting planet**.

Flat lens design
for an unrestricted field of vision

Soft and flexible face seal made from sustainable materials for a universal fit

x-tended sideshield
for additional side protection

Ergonomically shaped side arms
for a perfect fit and secure hold without creating pressure points

With proven uvex supravision coating technology and UV400 protection

Three-stage adjustable side arms and headband
for individual customisation

protecting people
