sustainable. flexible. safe.

uvex i-guard

The uvex i-guard is part of our new uvex i-range – the innovative 3in1 safety eyewear range with the right products for virtually any workplace hazard or environment. With its highly flexible face seal, the uvex i-guard offers the best protection – and individually adapts to a wide variety of different face shapes. The ergonomically shaped safety eyewear reliably protect against liquids and large dust particles in accordance with markings 3 and 4 of EN 166.

The uvex i-guard is equipped with the proven uvex supravision coating technology and offers UV400 protection. This means that the uvex i-guard meets all professional requirements and is a welcome and reliable companion in everyday working life.
