sustainable. flexible. safe.

uvex i-guard+

The uvex i-guard+ is part of our new uvex i-range – the innovative 3in1 safety eyewear range with the right products for virtually any workplace hazard or environment. The high-quality safety goggles with headband offer increased impact protection strength and are ideal for demanding work.

Indirect ventilation allows proper air circulation to prevent fogging: Thanks to the proven uvex supravision coating technology, the lens remains fog-free even during heavy physical exertion, ensuring optimum visibility at all times.

Flat lens design
for an unrestricted field of vision

Soft and flexible face seal made from sustainable materials for a universal fit

x-tended sideshield
for additional side protection

Individually adjustable headband
for a perfect fit and secure hold

With proven uvex supravision coating technology and UV400 protection

uvex i-guard+ kit
can be specifically adjusted to a variety of applications thanks to the flexibility to swap the side arms and headband
