uvex ultrashield

The uvex ultrashield combines a stylish look with maximum functionality. The large panoramic lens with trendy tints ensures perfect vision in every situation – the safety spectacles are comfortable to wear, making them a trusted companion for everyday working life. The panoramic lens provides an extremely large, unrestricted field of vision and provides an excellent view at all times.

Especially when used outdoors, the uvex ultrashield impresses with its cool tints. They not only create a casual look – they also offer optimum glare protection (e.g. blue mirror) and can filter disturbing reflections on water surfaces (polavision).

Professional safety eyewear with a casual look.

The different tints provide reliable protection against glare and disturbing reflections on water surfaces during outdoor activities.

The soft nose pad can be adjusted individually and ensures a comfortable, secure fit.

The large panoramic lens guarantees an optimum field of vision without compromise, enabling an ideal view.

The ergonomically shaped side arms with soft temple ends ensure a secure fit and guarantee high wearer comfort.
