**Optimum climate control**

Ultra-breathable leather upper and textile lining regulates foot temperature maintaining the optimum 'in shoe' environment. The uvex 'climate comfort' insoles remove moisture and dries completely overnight.

**High-quality materials.  
Ultimate wearer wellbeing**

The supple high-quality leather and premium textiles create a durable modern look with high levels of comfort and hygiene for healthy feet.

**Comfortable fit**

The new, anatomically shaped lasts provides increased stability, supporting the natural movement of the foot without limiting flexibility.

**Shock absorption**

The lightweight dual density PUR (polyurethane) outsole and removable comfort insole have outstanding shock absorption characteristics which help reduce fatigue and the potential for musculoskeletal conditions.

**Safety with every step**

The ergonomic sole design and SRC rating delivers excellent slip resistance.

**Sporty design, discreet protection**

The versatile styling of the 'uvex business casual 9510' safety shoe provides reliable and comfortable protection. Also available in a S1 P version with steel toecap and steel midsole.
