Sporty design, discreet protection
The versatile styling of the uvex business casual 9510 safety shoe provides reliable and comfortable protection. Also available in a S1 P version with steel toe cap and steel midsole.

Stylish

High-quality materials
The supple, high-quality leather and premium textiles create a durable, modern look with high levels of comfort and hygiene for healthy feet.

Comfortable fit
The new, anatomically shaped lasts provide increased stability, supporting the natural movement of the foot without limiting flexibility.

Sporty

Optimum climate control
Ultra-breathable leather upper and textile lining regulates foot temperature maintaining the optimum 'in shoe' environment. The uvex climate comfort insoles remove moisture and dry completely overnight.

Comfortable fit
The ergonomic sole design and SRC rating delivers excellent slip resistance.

Safe

Shock absorption
The lightweight dual density PUR (polyurethane) outsole and removable comfort insole have outstanding shock absorption characteristics which help reduce fatigue and the potential for musculoskeletal conditions.
