A step up in ...

Performance,
Comfort
and
Style

Don't compromise
just because
you're
at work!

Ultimately, safety footwear should be functional and provide protection while at work. However, comfort is equally important. And you'd quite like to have stylish, sporty looking designs too. Don't compromise just because you're at work! The uvex sportsline safety shoe range delivers just that. Lightweight, slim and flexible with every step, the uvex sportsline is the ideal shoe range for light industry such as warehouse, logistics, automotive, aerospace and tradesmen.
