Two professionals for your team

Protection you can rely on
for specialist applications

uvex apache goggle

The stable, wide-vision goggle with flame-retardant headband and permanent anti-fog coating offers reliable protection.

Everything in view

Completely distortion-free lenses – anti-fog coating on the inside, extremely scratch-resistant on the outside (uvex supravision excellence coating).

Impressive compatibility

The uvex apache goggle can be combined with most combat helmets and protective earmuffs.

Defies all adversity

Mechanical resistance BT verified in accordance with EN166 and STANAG 2920/4296t. Flame-retardant, individually adjustable headband.

Suitable for prescription spec wearers

The prescription insert makes the uvex apache goggle suitable for people that require corrective lenses.

Includes orange and grey UV protective spare lenses together with a case.

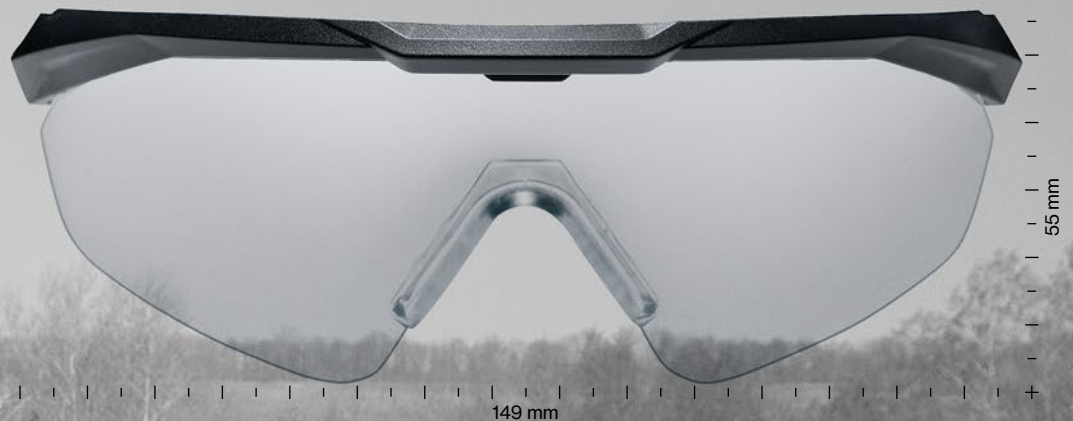

The distinct uvex apache spec and uvex apache goggle with their modern sporty design deliver optimum wearer comfort and are incredibly durable.

uvex apache spec

Lightweight safety eyewear with sleek frame design: wearers benefit from a comfortable close fit and permanent anti-fog coating for consistently clear vision.

Robust and climate-optimised

Mechanical resistance BT verified in line with EN166 and STANAG 2920/4296t. Anti-fog coating inside, extremely scratch-resistant outside (uvex supravision excellence coating).

Soft nose pads

Non-slip, adjustable nose pads provide a customised, comfortable fit over a sustained period of time.

Suitable for prescription spec wearers

The prescription insert makes the uvex apache spectacle suitable for people that require corrective lenses.

The set includes orange and grey UV protective lenses together with a case.
